Greater Victoria

2016 COMMUNITY OUTCOMES REPORT

UNITED. WE DO MORE.

At United Way we believe that at the heart of a healthy community are people who care – not just for themselves – but for those around them.

United with our donors, business partners, workplace champions, labour leaders, community advocates and volunteers, we deliver hope and possibility, changing local lives every day.

In 2016, over **111,282** individuals, families, youth and children accessed **109** programs through **72** funded agencies to help them achieve their full potential. Your footprint as a supporter of United Way is far-reaching and brings comfort to thousands in need. **Thank you** for working together in a 'united way' to build a strong and inclusive community for all.
