2018/2019 COMMUNITY OUTCOMES REPORT

United Way
Greater Victoria

At United Way we believe that at the heart of a healthy community are people who care, especially for others. United with our donors, business partners, workplace champions, labour leaders, community advocates and volunteers, we deliver hope and possibility, changing local lives every day.

86 AGENCIES FUNDED

80,551 LIVES CHANGED

109 PROGRAMS SUPPORTED

10,053

people received counselling and support to overcome trauma and abuse, mental health challenges, and recover from addictions.

1,351

volunteers gave 85,772 hours of their time to build a stronger, more inclusive community for all.

7,571

children and youth took part in mentoring and support programs that helped them increase their resiliency, overcome anxiety and bullying, build healthy relationships and improve their well-being.

1,740

vulnerable new parents accessed programs and services that helped them build confidence, increase their parenting skills, meet mentors, and raise healthier, happier kids.

24,075

people received healthy, nourishing meals at community kitchens and neighbourhood houses.

1,986

people were assisted in building their job skills, cultivating good financial habits, and gaining the confidence to join the workforce.

DID YOU KNOW...

Last year 12,848 seniors accessed programs that combatted isolation by engaging them in social groups, offering volunteer services and rides to important appointments, supporting post-hospital care, addressing the challenges of Alzheimers and dementia, matching them with affordable hearing aids, and making a substantial impact on their lives and those of their loved ones and caregivers.
