You're in good company

Along with more than 200 other businesses in Greater Victoria, your new employer believes in giving back to the community and helping those in need by running a United Way workplace campaign.

United Way's vision is that everyone in our community has the opportunity to reach their full potential. Unfortunately, there are critical social issues that often go unnoticed and can stand in the way.

By working together, we are making a difference in the lives of local people in our diverse community so that everyone feels included: seniors who need connections to keep them vital; families facing poverty; individuals struggling with mental health challenges or addictions; kids who need a little extra help to succeed.

You can help change lives every day for people like Jack. Read his story inside.

DISCOVER HOW YOUR DONATION MAKES AN IMPACT IN THE LIVES OF MANY ON SOUTHERN VANCOUVER ISLAND.

Meet Jack. Jack's dad left when he was 4-years-old. Since that time his mom has been struggling from paycheque to paycheque – at times choosing between food and paying the bills. The stress of Jack's home life is affecting him at school. A gift to United Way will provide a lifetime of opportunities for Jack to grow up strong and succeed in life.

A quality in-school mentorship program puts Jack on the right path.

Jack's Mom finds a stable job and moves towards stability thanks to a financial literacy program.

A food security program provides healthy foods that help Jack focus in the classroom.

Jack learns coping skills and problem solving for anxiety through a neighbourhood program.

Jack and his mom attend family counselling seminars offered at low cost.

An after-school program provides him with the skills he needs to succeed. Jack graduates from high school.

Jack's high school diploma and an employment program help open doors to opportunities.

Now he gives back through volunteering at a community food kitchen to help build a stronger community.

We all win!

With support from donors like you, United Way lifts up thousands of families helping children like Jack through all of life's stages including early year's learning, after-school care and homework clubs, parent support and counselling.
