

FREQUENTLY ASKED QUESTIONS FOR EMPLOYEE CAMPAIGN CHAIRS

How does a gift to United Way make a difference in the community?

Last fiscal year, United Way raised \$6.2 million thanks to over 7,000 donors and over 200 workplaces opening their offices to run employee giving programs. These funds helped transform local lives of over 125,000 people right here in your neighbourhood. At United Way, we work to ensure everyone has the opportunity to reach their full potential; we ask you to consider keeping your donation local.

For this year's annual campaign season, we have narrowed our focus in direct response to COVID-19 to help our community rebuild. We have four new areas of action with specific projects you can direct your gift to in order to assist those most vulnerable.

ISOLATED SENIORS

Help connect isolated seniors to healthy meals and companionship

FAMILIES IN NEED

Help families succeed by providing neighbourhood resources close to home

DIVERSITY, EQUITY & INCLUSION

Help create a welcoming, inclusive and equitable community for all

MENTAL HEALTH AND ADDICTIONS

Help save lives by providing counselling, outreach and peer support services for those facing mental health challenges and addictions

It is your choice to direct your support and we offer donors the ability to designate their donation to a maximum of two registered Canadian charities with a minimum donation of \$40 per charity. A 10% cost recovery fee per designation to a maximum of \$100 per designation will be applied.

How can I make a payroll pledge/donation?

What is ePledge?

ePledge is an online tool that many worksites use to provide you with as fast, easy and secure way to donate. ePledge allows you to give a one-time or monthly credit card donation, or divide your donation across a year's worth of pay cheques by using payroll deduction through your workplace payroll office. ePledge is not available everywhere, but is being expanded to more workplaces every year.

Are there tax benefits to donating?

Your donation is tax deductible. To determine the value of the tax deduction for donations, use the CRA charitable donation tax credit calculator at canada.ca/en/revenue-agency/services/charities-giving/giving-charity-information-donors/claiming-charitable-tax-credits/calculate-charitable-tax-credits/calculator.html

Charitable donations made using payroll deduction are reported on your annual T4 slip.

Electronic receipts are provided by Feb 28 for one-time donations or monthly made by credit card via ePledge.

All those who make a charitable donation above \$25 will automatically receive a tax receipt, issued by the United Way Southern Vancouver Island. Those giving under \$25 may receive a receipt upon request.

Can I continue to support the United Way Southern Vancouver Island campaign when I retire?
