

2024 – 25 UWSVI Funding Opportunities

Programs and Services Grants – local programs and services that provide support and opportunities for individuals and families facing human and social challenges.

Collective Impact, Collaboration, and Innovation Initiatives - strategic initiatives that create systemic change and collective impact leading to social progress.

For 2024 and 2025 United Way will be primarily focused on funding to areas of greatest need in the following areas of action:

- Seniors and Elders
 - Families
 - Mental Health and/or Addictions
-
- Funding opportunities will be through an online application and volunteer granting review process.
 - Applications will be invited from eligible charities and qualified donees based in the Capital Regional District (CRD) who are responding to needs in the community.
 - An agency can apply for **\$15,000 to \$50,000** per program.
 - Funding is subject to fulfillment of reporting requirements as outlined in the MOU.

Timeline:

- January 8, 2024 – 2024/25 Funding calls will open online
 - Program and Services Grants
 - Collective Impact, Collaboration, and Innovation Initiative Grant
- February 16, 2024 – 2024/25 Funding calls close
- February/Early March 2024 - grant reviews
- March 25, 2024 - Presentation to Board for final approval
- Letters of Agreement (LOAs) will be issued following Board approval. Funding for successful applications will be scheduled from April 1, 2024, to March 31, 2025.
